

# NADEGE PELCAT

## FULLSTACK DEVELOPER

My background in veterinary care has forged my patience and my ability to work with precision in demanding situations. Committed with enthusiasm and determination to my career change, I am ready to bring good humor and collaborate effectively with my future team!

I am looking for a **work-study program** from July 8, 2024 (Weekly: 4 days / 1 school day)

Ile-de-France, Normandie
